## Executive Summary

### National Credit Union Administration

---

The National Credit Union Administration is the independent federal agency created by the U.S. Congress to regulate, charter and supervise federal credit unions. With the backing of the full faith and credit of the United States, NCUA administers the National Credit Union Share Insurance Fund (similar to the FDIC's Deposit Insurance Fund), insuring the deposits of millions of credit union account holders in all federal credit unions and the overwhelming majority of state-chartered credit unions. Not one penny of insured savings has ever been lost by a member of a federally insured credit union.

The agency's mission is to facilitate the availability of credit union services to all eligible consumers, especially those of modest means, through a safe and sound credit union system.

#### Mission

“Provide, through regulation and supervision, a safe and sound credit union system, which promotes confidence in the national system of cooperative credit.”

#### Vision

“Protecting credit unions and the consumers who own them through effective supervision, regulation and insurance.”

#### Values

- **Integrity** – Adhere to the highest ethical and professional standards.
  - **Accountability** – Accept responsibilities and meet commitments.
  - **Transparency** – Be open, direct and frequent in communications.
  - **Inclusion** – Foster a workplace culture that values diverse backgrounds, experiences and perspectives.
  - **Proficiency** – Deploy a workforce with a high degree of skill, competence and expertise to maximize performance.

## II. Making a FOIA Request

---

Information on how to submit a FOIA request is available online at

<https://ncua.gov/foia/submit-foia-request>.

1. FOIA requests may be submitted to one of two NCUA offices, both of which are located at 1775 Duke Street, Alexandria, Virginia 22314-3428. For records maintained by the Office of Inspector General (OIG), direct your request to the OIG at the above address. You may also send a request to the OIG by facsimile at 703-518-6349, or by e-mail to [OIGmail@ncua.gov](mailto:OIGmail@ncua.gov). For all other requests, submit your request to the FOIA Officer, Office of General Counsel (OGC), at the above address. You may also send these FOIA requests by facsimile to

703-518-6569 or by e-mail to [FOIA@ncua.gov](mailto:FOIA@ncua.gov). FOIA requests for either office may also be submitted online through the NCUA eFOIA Public Access Link (PAL) Portal available at <https://efoia-pal.ncua.gov/app/Home.aspx> or through the government-wide FOIA portal available at <https://www.foia.gov/>.

2. Brief Description of why some requests are not granted:

Generally, exempt information includes credit union examination reports; records, which if released, would cause an unwarranted invasion of personal privacy; confidential proprietary business information; internal communications regarding proposed NCUA policies; and law enforcement investigative records.

## III. Definitions of Terms and Acronyms Used in the Report

---

1. No agency-specific acronyms or terms are used in this Report.
2. The following are definitions of terms used in this Report:
  - a. **Administrative Appeal** – a request to a federal agency asking that it review at a higher administrative level a FOIA determination made by the agency at the initial request level.
  - b. **Average Number** – the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
  - c. **Backlog** – the number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time period for a response.
  - d. **Component** – for agencies that process requests on a decentralized basis, a “component” is an entity, also sometimes referred to as an Office, Division, Bureau, Center, or Directorate, within the agency that processes FOIA requests. The FOIA now requires that agencies include in their Annual FOIA Report data for both the agency overall and for each principal component of the agency.

- e. **Consultation** – the procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester.
- f. **Exemption 3 Statute** – a federal statute that exempts information from disclosure and which the agency relies on to withhold information under subsection (b)(3) of the FOIA.
- g. **FOIA Request** – a FOIA request is generally a request to a federal agency for access to records concerning another person (i.e., a “third-party” request), or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests) when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA requests also include any first-party requests where an agency determines that it must search beyond its Privacy Act “systems of records” or where a Privacy Act exemption applies, and the agency looks to FOIA to afford the greatest possible access. All requests which require the agency to utilize the FOIA in responding to the requester are included in this Report. Additionally, a FOIA request includes records referred to the agency for processing and direct response to the requester. It does not, however, include records for which the agency has received a consultation from another agency. (Consultations are reported separately in Section XII of this Report.)
- h. **Full Grant** – an agency decision to disclose all records in full in response to a FOIA request.
- i. **Full Denial** – an agency decision not to release any records in response to a FOIA request because the records are exempt in their entirety under one or more of the FOIA exemptions, or because of a procedural reason, such as when no records could be located.
- j. **Median Number** – the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
- k. **Multi-Track Processing** – a system in which simple requests requiring relatively minimal review are placed in one processing track and more

voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first in/first out basis.

- i. **Expedited Processing** – an agency will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in the statute and in agency regulations.
    - ii. **Simple Request** – a FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.
    - iii. **Complex Request** – a FOIA request that an agency using multi-track processing places in a slower track based on the high volume and/or complexity of the records requested.
  - l. **Partial Grant/Partial Denial** – in response to a FOIA request, an agency decision to disclose portions of the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for a procedural reason.
  - m. **Pending Request or Pending Administrative Appeal** – a request or administrative appeal for which an agency has not taken final action in all respects.
  - n. **Perfect Request** – a request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed.
  - o. **Processed Request or Processed Administrative Appeal** – a request or administrative appeal for which an agency has taken final action in all respects.
  - p. **Range in Number of Days** – the lowest and highest number of days to process requests or administrative appeals.
  - q. **Time Limits** – the time period in the statute for an agency to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).
3. The following are concise descriptions of the nine FOIA exemptions:

- a. **Exemption 1:** classified national defense and foreign relations information.
  - b. **Exemption 2:** personnel matters or internal agency rules and practices.
  - c. **Exemption 3:** information that is prohibited from disclosure by another federal law.
  - d. **Exemption 4:** trade secrets and other confidential business information.
  - e. **Exemption 5:** interagency or intra-agency communications that are protected by legal privileges.
  - f. **Exemption 6:** information involving matters of personal privacy.
  - g. **Exemption 7:** records or information compiled for law enforcement purposes, to the extent that the production of those records (A) could reasonably be expected to interfere with enforcement proceedings; (B) would deprive a person of a right to a fair trial or an impartial adjudication; (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy; (D) could reasonably be expected to disclose the identity of a confidential source; (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions; or (F) could reasonably be expected to endanger the life or physical safety of any individual.
  - h. **Exemption 8:** information relating to the supervision of financial institutions.
  - i. **Exemption 9:** geological information on wells.
